CHAMPIONSHIP FUEL SUPPLY

Fuel Information 2018 Bathurst 12 Hour

(See also: Terms and Conditions on Fuel Registration Forms)

**98 RON
CONTROL FUEL**

At any time order fuel by SMS:

0410 307 769

**ALWAYS TEXT BOTH CAR NUMBER
AND GARAGE NUMBER**

**Example
text message:**

200L drum 98 RON
pit bay 12, car 4

Every car will receive 1 x 200L drum into pitbay on Wednesday (1pm to 4pm)

Step One: Post this document on or near your fuel gantry

Once you have removed the cap seal of a 200litre drum, you have purchased this fuel, do not take the cap seal off until you are sure you will use the fuel.

- **IMMEDIATELY** leave empty drums outside your garage door for collection
- **We can only supply a full drum if you have returned an empty drum**
- **All fuel must be signed for by an authorised team member as per the fuel registration form, no authorised signature = no fuel**
- **If you would like a drum delivered to the base of your fuel gantry, please have a path cleared at all times, otherwise drums must be delivered to the rear of your pit garage.**
- **On Saturday evening please ensure that your fuel gantry is full, your car is full and you have 1 x full 200litre drum in your pit garage.**
- **At any time teams are welcome to order a part drum (eg 80litres) rather than a full 200litre drum.**

Procedure: returning full 200litre drum of fuel (cap sealed)

- 1, Text Brian Franken on 0410 307 769 "return full"
Example text message "Return full 200L garage 16 car 4"
- 2, Ensure team principle or an authorized team member are available during the fuel return.
- 3, A return receipt will be issued and drum collected
- 4, Drum volume (200L) will be credited from final tax invoice

Request to return fuel must be lodged before 8pm on Sunday

Procedure: returning unwanted fuel (drum cap seal missing)

- 1, Text Brian Franken on 0410 307 769 "return part"
Example text message = "Return part 200L garage 16 car 4"
- 2, Ensure team principle or an authorized team member are available during the fuel return.
- 3, Fuel volume estimated and agreed
- 4, A return receipt will be issued and drum collected
- 5, Fuel volume will be adjusted with final tax invoice

Request to return fuel must be lodged before 8pm on Sunday
